# RECORD OF RESOLUTION

Resolution No. 2025-R-29 Passed July 1, 2025  
YEAR

Of the annual SCIP allocation, \$20 million is set aside for the Small Government Program established for villages and townships with populations in the unincorporated areas of less than 5,000 in population. Applicants who apply for funding that are not awarded at the District level can be selected for Small Government consideration by the District Committee as a "second chance" for funding.

WHEREAS, The Local Transportation Improvement Program (LTIP) was created by the legislature in 1989. The OPWC currently receives less than one penny of the annual gasoline tax receipts (approximately \$61 million). Since the use of such receipts is constitutionally limited to roads and bridges only counties, cities, villages and townships may apply for these funds. Applicants may apply for grants up to 100% of the project cost.

WHEREAS, in those villages that have established the position of Village Administrator, the village administrator shall make contracts, purchase supplies and materials, and provide labor for any work under the administrator's supervision involving not more than fifty thousand dollars.
